FINDINGS OF FACT

1. The Board is the duly constituted authority for the regulation and control of the practice of allopathic medicine in the State of Arizona.

2. Respondent is the holder of License No. 28385 for the practice of allopathic medicine in the State of Arizona.

3. The Board received an anonymous complaint regarding Respondent's care and treatment of a patient. Respondent was invited to appear for an investigational interview with Board Staff. Respondent declined that invitation and offered to sign a practice restriction pending further Board Order.

4. Based on the information in the Board's possession there is evidence that if Respondent were to practice medicine in Arizona there would be a danger to the public health and safety.

CONCLUSIONS OF LAW

1. The Board possesses jurisdiction over the subject matter hereof and over Respondent.

2. The Executive Director may enter into a consent agreement with a physician if there is evidence of danger to the public health and safety. A.R.S. § 32-1405(C)(25); A.A.C. R4-16-504.

ORDER**IT IS HEREBY AGREED THAT:**

1. Respondent shall not practice clinical medicine or any medicine involving direct patient care, and is prohibited from prescribing any form of treatment including prescription medications, until Respondent applies to the Board and receives permission to do so.

2. This is an interim order and not a final decision by the Board regarding the pending investigative file and as such is subject to further consideration by the Board.
